

How to apply for Community Chest Funding

If you are interested in applying for Community Chest funding, please contact Acton Gardens for an information pack. This will include further information, eligibility criteria and application form.

Complete and submit Community Chest application form, ensuring you provide as many details as possible to aid your application. Please see overleaf for application deadlines.

Your application will be reviewed by the Community Chest Sub-group against the score criteria. It will then be put forward to the Community Board for approval.

Successful

- You will be contacted within 5 working days.
- A meeting between your organisation and Acton Gardens will be arranged to sign funding agreement and expectations of grant form.
- You will be required to supply evaluation of project, receipts and monitoring forms 30 days after your completed project.

Further Information

- You will be contacted by telephone or in writing regarding the information that is required by the board.
- Additional information to be re-submitted at the following board meeting.

Non-successful

- You will be informed in writing within 5 working days with an explanation why you have not been successful, based on the scoring criteria.
